COBRA SOFTWARE FOR EMERGENCY / INCIDENT MANAGEMENT HAS BEEN ADDED TO THE TEXAS DEPARTMENT OF INFORMATION RESOURCES TX-DIR CONTRACT VEHICLE.

COBRA software has been added to the **Texas Department of Information Resources TX-DIR contract vehicle**. This contract allows for COBRA, bundled with chemical and radiological sensors, to be purchased at a pre-negotiated, state contract price. These **discounted rates** are available when buyers purchase COBRA incident management software along with a sensor.

[A complete list of COBRA / Sensor offerings can be found here.](#)

How to Order

1. For product and pricing information, visit the Dynamis Contracts page at www.dynamis.com or contact [Ruth Sherrill](#) at (571) 384-2388.
2. Generate a purchase order made payable to Dynamis, Inc. and reference the DIR Contract Number **DIR-TSO-3824** on your purchase order.
3. E-mail or fax your purchase order and quote form to your designated vendor sales representative.

For more information about TX DIR contract or to review Dynamis' COBRA solutions page, please visit <http://dir.texas.gov/> and search keyword **Dynamis**.

For more information on COBRA incident management software, please visit www.COBRA2020.com.

For a complete overview of COBRA software or for a web demonstration, please contact us.
