

## PROFESSIONAL SERVICES SCHEDULE

Dynamis offers Federal agencies and authorized customers a total solution under its **GSA Professional Services Schedule (PSS)** to support their mission requirements. PSS is an indefinite delivery/indefinite quantity (IDIQ) multiple award schedule, providing direct access to simple or complex fixed-price or labor-hour professional services.

Awarded special item numbers (SINs) encompass a full set of services to provide comprehensive solutions to customers' program requirements. Dynamis **offers competitive labor rates** that allow us to provide economical, proven professional support.

## HIGHLIGHTS

- Available to all Government and SLED entities
- Services can be procured via sole-source
- Ability to select a vendor without a lengthy bidding process
- Streamlined procurement process
- Leverage small business set asides
- Customization of terms and conditions in task orders to meet specific requirements
- Eliminates significant contract duplication and workload previously associated with negotiating, administering, and auditing multiple contracts

## THE DYNAMIS DIFFERENCE

We achieve our successes through the Dynamis Way: focusing on our employees and promoting a culture of trust, open communication, responsibility, and professional growth. Through this methodology, we can recruit and retain highly skilled and productive personnel who, in turn, provide the high-quality support our clients deserve. We provide you with:

- 1** A Best Value Solution: Significant experience and a validated reputation for providing efficient, cost-effective, innovative, and technically-proven services.
- 2** The Dynamis Management Approach. A fluid, scalable and adaptable approach that creates an environment of stability, empowerment and longevity for our employees and providing you, our customer, open communication lines, a worry-free support contract, and staffing continuity for your mission. We have an established library of best practices to include surge support, seamless transitions, employee retention programs, and PMBOK body of knowledge practices.
